**HEART HEALTH**  
*Roger Massey*

Sometimes man feels comfortable because he is able to conceal his sins from other people. He continues to engage in sinful activities in secret and harbors evil thoughts in his mind. He has a false sense of safety because "no one knows".

This kind of thinking is faulty and spiritually destructive because even though we can "hide" from man we cannot "hide" from God. God knows our every secret act and thought. Nothing escapes Him. The following scriptures verify this.

***"O Lord, You have searched me and known me. You know my sitting down and my rising up; You understand my thought afar off. You comprehend my path and my lying down, and are acquainted with all my ways. For there is not a word on my tongue, but behold, O Lord, You know it altogether (Psalm 139:1-4)."***

***"And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account (Hebrews 4:13)."***

It has been said, "We are not what others think we are. We are not what we think we are. But what we think, we are." God judges the heart of man. It is the heart that must be converted to Christ and washed clean by His blood.

How is your "heart health"?

# Welcome to our worship service.

If you are visiting with us today, we want you to know that you are our honored guest. Please take a moment to fill out an **Attendance Card** which you will find in the seat back ahead of you. Pass the card to the end of the row where our ushers will pick it up or you may drop it in the collection plate later during the service today. At the close of services, we hope that you will stay a few minutes to allow us to get acquainted and visit with you a while. If you would like to know more about the church of Christ or this local congregation, one of our elders or the minister will be happy to talk with you. Please feel free to pick up an informational packet about this congregation from the wall rack in the foyer.

*"The Lord is not slow in doing what He promised—the way some people understand slowness. But God is being patient with you. He does not want anyone to be lost, but he wants all people to change their hearts and lives."*

(II Peter 3:9—NCV)

## PUNCTURE-PROOF CHRISTIAN

You know, I like some of these new fangled inventions. The puncture-proof tire is the one I like especially well. If you're driving along with ordinary tires, and a nail goes through them—whisss—you lose all the air. But a puncture-proof tire is different. If a nail goes through it, some stuff inside runs around and stops the hole and the air stays.

You know, the heart of a Christian is like this puncture-proof tire. An ordinary heart may be filled with love, but when someone does something to puncture that heart all the love runs out and hatred and hard feelings take its place. But a puncture-proof heart is different, it is filled with the spirit of Christ and

when someone, through his words or actions, punctures that heart, immediately the hole is stopped up tight and love stays in.
